Iris on a roll ...

Strike, spare and gutter balls, we don't care; Have fun, just be there! The clarion call charged everyone to gather and have some serious, friendly fun. Irisians from our New York City and New Jersey locations had a gala time at our fall bowling event.

When the agenda calls for something different, it's time to take your team to the lanes. Sales, Recruiting, Operations and Management all were jumbled into four teams – Warriors, Titans, Gladiators and Vikings, to take on the challenge at the local Brunswick Zone Bowling Alley.

Irisians value camaraderie and as a result everyone had fun as gutter balls rolled, punctuated with resounding laughter.

Titans won as they had figured out that teamwork divides the tasks and multiplies the chance for success. Team Vikings came in second place as they realized they could not beat the Titans by just having good players.

Getting them to play together was the hard part. The event was a win-win for all at Iris.

The wise one observed: One of the advantages bowling has over golf is that you never lose a bowling ball.
